# About Us

## Lendinet Financial Consultant Pvt Ltd

Lendinet Financial Consultant Pvt Ltd is a fast-growing financial consultancy company in India, dedicated to providing complete financial and business solutions under one platform. With strong associations across 210+ Banks and NBFCs, we simplify access to loans, credit, insurance, taxation, and digital business services for individuals and enterprises.

Through our group company, Lendinet Small Finance Pvt Ltd, we also specialize in Private Funding and Micro Finance solutions, offering loans from ₹30,000 to ₹3,00,000 without any CIBIL check. This makes us a trusted partner for small businesses, entrepreneurs, and individuals looking for quick and hassle-free financing.

We are proud to introduce the first-ever Weekly Loan DSA Payout Facility in India, ensuring fast, transparent, and reliable payouts up to 4%, empowering our partners to grow with confidence.

Our diverse portfolio covers Loan Products (Personal, Business, Mudra, Project, Car, Education & Agriculture loans), Financial Solutions (Credit Cards, Insurance, Taxation & CA Services, Compliance & Certification), and Business & Digital Services (Company Registration, Website & Logo Design, Digital Marketing, Branding, and more).

At Lendinet, our mission is simple — to deliver affordable, innovative, and growth-driven financial solutions while building long-term partnerships based on trust and transparency.

# Vision

**At Lendinet Financial Consultant Pvt Ltd, our vision is to become India's most trusted and innovative financial consultancy, empowering individuals, entrepreneurs, and businesses with accessible, transparent, and growth-oriented financial solutions. We aim to bridge the gap between people and finance by offering loans, private funding, microfinance, and business services with unmatched ease and reliability. Through pioneering initiatives like India's first Weekly Loan DSA Payouts and microfinance without CIBIL checks, we strive to redefine financial accessibility, foster entrepreneurship, and create sustainable opportunities that contribute to the nation's economic growth.**
